Stakeholder Information System

Michal Konečný

INSPIRATION

- First Things First - Stephen Covey
- My own feedback received from Team

WHAT IT IS?

- System to gather feedback
- Tool for personal development

HOW IT WORKS

- Members will fill in feedback for co-workers

- They will obtain the feedback from others

- Optionally they can contact people about details

QUESTIONS

- What do you think about my work?

- What do you like? What should I do more?

- What do you dislike? What should I do less?

BENEFITS

- Members of the team will get feedback from co-workers

- Helps to finds areas for self-improvement

- Helps to finds work focus

Thank you!
